Mohana HR Futuristics

Dear Mohana,

Thank you for submitting your organization's Level 2 Accreditation application to the International Coaching Federation (ICF). The ICF has reviewed the application for Mohana HR Futuristics, and is pleased to grant your organization ICF accreditation. You may now represent in your marketing materials that this program is accredited by the ICF for 125 total hours of coach-specific education/training.

The accreditation date is 2023-06-15, and the accreditation will be due for renewal on 2026-07-31.

Remember the following limitation on the accreditation of your organization:

- Accreditation applies only to the approved Potential 2 Performance (P2P) - Level 2 Program ICF accredited program. It does not apply to any other program(s) operated by your organization.
- Accreditation of your organization applies only to the program operated by the owner(s) listed in the application. It does not apply to and cannot be used by any franchise, licensee, or secondary distributor of any kind or by any organization that does not use the existing infrastructure described in the application and administered directly by the applicant. Any such programs are considered new programs and must file separate, independent applications for approval.

Congratulations on your organization's ICF accreditation approval and thank you for your continuing commitment to excellence in the coaching profession. Please do not hesitate to contact me with any questions.

Sincerely,

Rockelle Ward
